 - b) It is expressly understood and agreed that the aggregate of all allowable costs under the Agreement shall in no event exceed the Total Contract Amount, except upon formal amendment of this Agreement as provided herein below.

 - c) The allowable cost of performing the work under this Agreement shall be the costs approved in the Budget attached hereto as Exhibit B and actually incurred by the Contractor, either directly incident or properly allocable, to the Agreement, in the performance of the Scope of Work in accordance with cost principles of the Department of Health and Human Services Grants Policy Statement (HHS GPS). To be allowable, a cost must be necessary, cost-effective and consistent (as reasonably determined by HRI) with policies and procedures that apply uniformly to both the activities funded under this Agreement and other activities of the Contractor. Contractor shall supply documentation of such policies and procedures to HRI when requested.

 - d) Irrespective of whether the "Audit Requirements" specified in paragraph 3(a) are applicable to this Agreement, all accounts and records of cost relating to this Agreement shall be subject to audit by HRI or its duly authorized representative(s) and/or the Project Sponsor during the Term and for three years after the final voucher is submitted for payment. This provision includes the right for HRI to request copies of source documentation in support of any costs claimed. If an audit is started before the expiration of the 3-year period, the records must be retained until all findings involving the records have been resolved and final action taken. Any reimbursement made by HRI under this Agreement shall be subject to retroactive correction and adjustment upon such audits. The Contractor agrees to repay HRI promptly any amount(s) determined on audit to have been incorrectly paid. HRI retains the right, to the extent not prohibited by law or its agreements with the applicable Project Sponsor(s) to recoup any amounts required to be repaid by the Contractor to HRI by offsetting those amounts against amounts due to the Contractor from HRI pursuant to this or other agreements. The Contractor shall maintain appropriate and complete accounts, records, documents, and other evidence showing the support for all costs incurred under this Agreement.
